SUMMARY

I am Thilina Dilshan, an undergraduate student at the Institute of Software Engineering (IJSE), expecting to graduate in 2026. I am passionate about software development and continuously improving my skills through practical projects and learning. I have experience in building Java-based applications and enjoy working on creative and technical challenges. I am also involved in organizing tech-related events and interested in AI chatbot development. I am committed to growing as a developer and contributing to real-world software solutions.
